Item #42-202, Freud 3/4 in Dia, 1 in CH, 1/2 in Shank Downshear Helix Flush Trim Bit

\$37.78

Thank you for shopping with us! Application: Trimming laminate countertops and for pattern work -Downshear cutting angle produces a slicing action for chip-free, splinter-free cuts on the top surface of laminates and veneers. -The shear action also delivers easier, smooth cuts in thick materials. -The 3/4" diameter body and full 1" or 2" cutting length provides the stability and cutting capacity for thick stock or for routing multiple parts with a template. -Cuts all composition materials, plywoods, hardwoods, and softwoods. -Use on portable or table-mounted routers for template work.

42-202
