Item #47152, Amana Tool Carbide-Tipped No-File™ Flush Trim .059 Radius x 1/2" Dia x 3/8" x 1/2" Shank

\$34.65

Edge of Arlington offers free shipping in the United States when you choose flat rate shipping

Eliminate the time-consuming hand-filing that normally follows each trimming cut on a laminate job. The No-File™ bit "breaks" the sharp edge as it trims the laminate flush. When used properly, the resulting edge is smooth and has a slight radius.

AMAX Extended Life Features:

200% longer life-time even when working with abrasive materials

Superior geometric design

Advanced grinding technology that improves the carbide's resistance to wear

Super clean cuts
