Item #47170 (SE-4N), Viking Super Premium Ultra Bore Hi-Carbon Steel Screw, Stud & Pipe Extractors Type 420-UB: Sets

\$12.99

Thank you for shopping with us!

- Spiral style
- Remove broken screws, bolts, threaded parts, and pipes
- Broken piece is extracted without damage to threads

To remove the broken threaded parts: Drill a hole in the end of the broken part ([left hand spiral heavy duty drills](#) are recommended for this drilling operation), insert extractor, then turn counterclockwise using a wrench on the exposed end of the extractor.
