Item #51314, Amana Tool Carbide Tipped Stagger Tooth Plunge Panel with Center Pilot 1/2 x 2-3/16 x 1/2 Shank **\$29.93**

Edge of Arlington offers free shipping in the United States when you choose flat rate shipping

This version of Amana Tool's panel pilot bit has a stagger-tooth configuration for fast, clean cuts, coupled with a solid pilot between the cutting edges. Designed specifically for the caravan, star wagon, trailer, coach, mobile/motor home and RV-manufacturing industries to cut openings in ceilings and sidewalls. It can be used in any setup that has a template between the materials to be cut.
