Item #55102, Amana Tool 3-Step RTA Furniture Drill/Countersink 7mm Dia x 3.5mm Drill Dia x 10mm Shank - 5mm Screw with Drill **\$28.22**

Thank you for shopping with us!

Commonly used for RTA (ready to assemble) furniture fittings. Specially-treated high speed steel countersink with polished slow-spiral drill bit. Will perform 3 tasks in one: pilot hole, clearance hole, and countersink. For connecting screws (Conformat, Directa, etc.). The shankless countersink is heat treated.

Replacement 3.5mm HSS slow spiral drill bit, 2 3/4" long, #55104
Replacement #10-24 set screw #67092 (requires #5000 3/32" hex key)
