Item #55232, Amana Tool Counterbore Screw Slot Carbide-Tipped 1/2" Dia x 15/16" x 1/2" Shank 2-Flute \$56.36

Thank you for shopping with us! For securing large panels or tabletops in a way that allows them to expand or contract due to changes in temperature or humidity. The screw slots prevent the wood from splitting and the screw from falling. Great for drilling and creating slots in one operation.
