Item #5586, Century 2 1/4 in Diamond Hole Saw **\$56.49**

Thank you for shopping with us!

- Designed to cut tile, porcelain, glass, slate, marble, granite, natural stone, fiberglass, glass block, pottery, and mirror.
- Made from premium diamond grit for a long useful life.
- Patented thin wall design and a 1/2" cutting depth cuts 3X faster than other brands.
- Runs cooler, with less pressure for an accurate hole.
- 4X the holes of other diamond grit hole saw brands.
- Not for concrete, masonry, or metal. See packaging prior to use for full operating instructions.
