### Item #57153, Amana Tool Carbide-Tipped Sink & Trim with Ultra-Glide™ Ball Bearing Guide Solid Surface 3/4" Dia x 10 Deg x 1/2" Shank **\$52.39**

Thank you for shopping with us! Amana Tool Carbide-Tipped Sink & Trim with Ultra-Glide™

Ball Bearing Guide Solid Surface 3/4" Dia x 10 Deg x 1/2" Shank  
Trim a sink cutout in stages flush with the bowl using these "overhang" and flush trim bits, in tandem. The overhang bits are equipped with non-marring Ultra-Glide™ bearings that are tapered to match the slope of the bowl's side. At first pass, with the appropriate overhang bit, it cleans the cutout edge to leave a very slight overhang at the underside of the counter. A pass with the flush trim bit completes the operation.

| SPECIFICATIONS               |                                |
|------------------------------|--------------------------------|
| Manufacturer                 | Amana Tool                     |
| Diameter                     | 3/4 in                         |
| Cut Height, Length, or Width | 1 in                           |
| Flute                        | 2 w/Nylon Bearing              |
