### Item #57154, Amana Tool Carbide-Tipped Sink & Trim with Ultra-Glide™ Ball Bearing Guide Solid Surface 3/4" Dia x 0 Deg x 1/2" Shank \$52.39

Thank you for shopping with us! Amana Tool Carbide-Tipped Sink & Trim with Ultra-Glide™

Ball Bearing Guide Solid Surface 3/4" Dia x 0 Deg x 1/2" Shank  
Trim a sink cutout in stages flush with the bowl using these "overhang" and flush trim bits, in tandem. The overhang bits are equipped with non-marring Ultra-Glide™ bearings that are tapered to match the slope of the bowl's side. At first pass, with the appropriate overhang bit, it cleans the cutout edge to leave a very slight overhang at the underside of the counter. A pass with the flush trim bit completes the operation.

SPECIFICATIONS	
Manufacturer	Amana Tool
Diameter	3/4 in
Cut Height, Length, or Width	1 in
