Item #5830TSA, Vortex Series 5800TSA Double Edge Design for Aerospace Aluminum Sheet Material - 1/4 x 3/8

\$66.12

Edge of Arlington offers free shipping in the United States when you choose flat rate shipping.

Series 5800TSA aluminum cutting bits are designed specifically for Aerospace aluminum sheet material. A wide variety of grades in various states of hardness were provided by an internationally renowned aircraft manufacturer. After extensive testing on our in-house CNC, we developed the specific TSA geometry to perform well in all grades and hardness of Aerospace grade aluminum.
