Item #600-150, Amana Timberline Forstner Bits

\$13.49

Thank you for shopping with us!

High Speed Steel

Especially designed to drill flat holes in softwoods and hardwoods using portable or stationary equipment. Forstner Bits are good at drilling severe angles and for partial angled holes. All off-angled and overlapping holes cut with a forstner bit should be drilled on a drill press. Finished hole will show a small center hole at the bottom of the hole.

Product Information: • High Speed Steel • Professional Quality • Unit Pack: Individually Carded
