NEW

Item #606-116, Amana Timberline Brad Point Drill Bits \$2.62

Thank you for shopping with us!

PRECISION WOOD CUTTING BITS

Brad Point drill bits are the bits of choice for precision wood cutting. They overcome the tendency to walk at the start of a hole and reduce tearout at the perimeter of the hole. The bits are made from high speed steel. They are fully ground and polished to give superior chip clearance. We carry an extensive line of individual sizes ranging from 1/16" to 1" .

Designed to drill through: Wood

Product Information: • Unit Pack: Individually Carded • Professional Quality

Designed to drill through: Wood
