### Item #608-731, Amana Timberline Broken/Stripped Screw Remover **\$9.68**

Thank you for shopping with us!

1/4" Hex Shank design for Quick Release

Designed to remove #6 to #14 stripped Phillips, Square, or Slotted screws. This tool allows you to drill out the damaged screw quickly, by inserting the bit into your drill.

Firmly hold the tip against the stripped screw head and reverse it out. The extremely sharp edges bite into the screw head & work the screw out. Requires a drill with the reverse feature. Not recommended for deck screws.

Product Information: • 1/4" Hex Shank for Quick Release Drill System • Professional Quality • Unit Pack: Individually Carded
