Product Information: • SDS Plus • Carbide-Tipped Head • Professional Quality •
Unit Pack: Individually Carded

Carbide-Tipped Slotted Drive System

SLOTTED DRIVE SYSTEM PLUS bits for hammer drills/rotary hammers are excellent for drilling the toughest concrete. Special designed carbide tips and spiral flutes combine to give the straightest drilling with the quickest removal of dust and chips in any position. In addition, the special carbide tips & high grade steel body add longer life to the bit. Available in cutting diameters from 5/32" to 1" with various usable lengths to 24" long.

Designed to drill through: Concrete
