NEW

Item #613-440, Amana Timberline Slotted Drive System Max 3/4 in Carbide-Tipped Drill Bit \$23.35

Thank you for shopping with us!

Carbide-tipped rotary hammer SDS Max bits with 2-flute carbide-tipped head for faster drilling of true round holes, which produce less vibration for longer life and greater productivity.

Product Information: • SDS Max • Carbide-Tipped Head • Professional Quality • Unit Pack: Individually Carded

Carbide-Tipped Slotted Drive System

SLOTTED DRIVE SYSTEM MAX bits are similar to our Slotted Drive System Plus bits, but are available in larger diameters. Special designed carbide tips and spiral flutes combine the straightest drilling with the quickest removal of dust and chips in any position. In addition the carbide tips and high grade steel body add longer life to the bit. Available in cutting diameters from 3/8" to 1-1/2" with various usable lengths to 36" long.

Designed to drill through: Concrete
