Item #61482, Amana Tool Insert Carbide Shear Rabbeting 125mm (5 in) Dia x 50mm (2) x 1-1/4 Bore Steel (Industrial) \$238.23

Thank you for shopping with us! Cutterhead bodies available in hard wearing aluminum or steel, complete with shear angle tungsten carbide knives and scorer. Suitable for producing various thickness rabbets in softwood, hardwood, and man-made boards (with or without coating) on a spindle molder. Shear angle reduces tear-out

and improves quality of cut.

Repl. Knife
