Item #620600, Amana Tool Carbide-Tipped Multi-Use Ripping/General Purpose 20 Inch Dia x 60T ATB, 15 Deg, 1" Bore

\$238.24

Thank you for shopping with us!

This is an excellent and popular general purpose configuration blade. Its low tooth count, high hook angle, and ample gullets make it an aggressive, fast cutting ripping blade. However, its ATB grind allows it to crosscut well. A good choice for all-around use.

Warning: Before use, read saw blade safety guidelines in [Amana's catalog](#).
