Item #640-310, Amana Timberline 4 1/2 in Segmented Rim Diamond Saw Blades
$13.86

Thank you for shopping with us!

WET / DRY

This type of blade provides the longest life at the lowest cost per cut. The segmented gullets provide faster, cleaner, and cooler cuts. Ideal for cutting concrete, concrete block, concrete pavers, and slate. Should be used where chipping is not a problem. Professional Quality. Clamshell packaged.

Segmented Diamond Rim. Diamond Grit.
