### Item #658010-1-R, Amana Tool Carbide-Tipped R/H Outside Dado Blade 8 Inch Dia x 24T 1" Bore

Thank you for shopping with us! ATB Grind Amana Tool® has a full range of replacement parts for our dado sets, including chippers and outside blades. This allows you to replace damaged cutters and to expand the range of a standard set. These parts are manufactured to the same exacting standards as the full sets. **Note: Specify left or right hand blades. Although each outside saw blade is sold separately, it is recommended to buy one set of both blades so the O.D. matches.**
