**Item  
#70760,  
Viking Super  
Premium  
Ultra Bor  
Studout™  
Screw, Stud  
& Pipe  
Extractors  
Square Style  
Forged Hi-  
Carbon Steel  
Type 421-UB  
\$26.80**

Thank you for  
shopping with  
us!

The square  
shape of these  
extractors gives  
the tools the  
ability to remove  
broken bolts,  
screws, and  
pipes with  
minimum  
deformation of  
the broken part.  
These extractors  
will not chew up  
or expand the  
object to be  
removed.

**To remove the  
broken  
threaded part:**  
Drill a hole in the  
end of the  
broken part (left  
hand spiral  
heavy duty drills  
are  
recommended  
for this drilling  
operation),  
insert extractor,  
then turn  
counterclockwise  
using a wrench  
on the exposed  
end of the  
extractor.
