Item #71-040, Freud Premier Solid Carbide O-Flute Straight Bit \$31.48

Edge of Arlington offers free shipping in the United States when you choose flat rate shipping. **Application:** Designed for small to large CNC machines for graphics, sign-making, intricate detail work, and cutting out material where a smooth finish is required on the finished edge. Freud's solid carbide O-flutes are "mirror" polished, reducing heat to give the ultimate in life with less welding or recutting of chips. Provides a clean ultra-smooth, ready to use finished edge. Excellent for detail work on all composite, plastic, hardwood and softwood materials. For use on "table top" /portable CNC, mid-size, and large CNC machines, as well as handheld routers.
