Item #72599, Century 9 in Fixed Jaw Locking C-Clamp - Swivel Pads **\$29.99**

Thank you for shopping with us!

Century's Locking C-Clamp with Swivel Pads features large swivel pads to secure work without damaging delicate surfaces. Fixed jaws for superior gripping power on a variety of materials. Hex bolt adjusts pressure, draws materials together, and provides a controlled release. Once adjusted it will remain set for repeated use. Trigger release for maximum locking force. Made from carbon steel for strength and durability.
