Item #75451, Century Century Diamond Pro™ 4 1/2" x 7/8" - 5/8" Arbor Wet/Dry Turbo Rim Blade $23.99

Thank you for shopping with us!
• Century Diamond Pro blades are designed with diamond particles fused to the blade for superior cutting. Diamond blades will out perform other abrasive blades, providing more cuts per dollar.
• Featuring: – 20%-25% diamond crystal concentration for professional results. – Hot press construction for a longer cutting life. – Expanded product offering included larger diameter blades up to 14″.
• For wet or dry cutting masonry materials where less chipping and a smoother cut is desired.
