Item #Kit 7964-INS-9358, Vortex MDF Inside Door Profiles - Inside Roughing Profile: 7964 BODY W/ INS-9358 INSERTS - Small Bead (1/4" R)

\$443.08

Edge of Arlington offers free shipping in the United States when you choose flat rate shipping.

These "multiple" pass cutter sets can be used in combination to rough out and corner clean to provide the appearance of a square inside corner. Combine with a raised panel cutter to complete the look of a five-piece assembled door. Bead profile (7964) will accept both a small bead (1/4" radius) or a large bead (3/8" radius) insert so one tool can do both profiles.
