Item #81208, Century 1/8 in x 3 in OAL Glass & Tile Drill Bit

$8.99

Thank you for shopping with us!

• Ideal for drilling ceramic, non-tempered glass, plastic, composite, brick, and marble.
• Quad cut copper brazed tip provides accurate drilling and better resistance to friction.
• Fluted shank design speeds up dust removal and performs well in thick materials.
• For use in wet or dry applications.
