### **Item #8122250, Whiteside Machine 2 1/4" 3-Wing Wood Drill 6" OAL Carbide-Tipped 1/2" Shank \$214.39**

Thank you for shopping with us!

Bores clean accurate holes in wood, plastic laminates, Formica®, and Masonite®. Carbide-Tipped for long life even in abrasive materials. The outside spurs outline the hole and help prevent fraying, chipping, and blowout. The replaceable 1/8" diameter high speed steel center point starts the hole and prevents the bit from walking. Replace the center point with a 1/8" drill bit, if desired. Can be resharpened or re-tipped.

| SPECIFICATIONS        |                                                                                                                                                                                   |
