Item #88307, Century 7/64 in, 2 5/8 in OAL, 135 deg Titanium Drill Bits - 6 Pro Pack

$10.49

Thank you for shopping with us! Titanium nitrate coating resists heat and adds lubricity to extend drill life. M2 grade steel for precision drilling in metal, wood, and plastic. No center punch needed. Century 135 deg quick-cut points are self-centering and penetrate fast with less pressure. Will not ‘walk’ or ‘wander’ at the starting surface. 6x Life-Rating.

• Designed for drilling in metal, wood, and plastic
• Titanium nitrate coating resists heat and adds lubricity to extend drill life
• Titanium drill bits offer a 6 times Life Rating when compared to standard 118-degree point drills
