Item #88729, Century 29-Piece, 135 deg HSS Drill Set

$68.99

Thank you for shopping with us!
• Designed for general purpose use in wood, plastic, plaster, and soft metal.
• Premium high speed steel and duotone finish for fast chip removal.
• High Speed Steel drill bits offer a 2 times life rating when compared to standard 118 degree point drills.
• No center punch needed. Century 135 deg quick-cut points are self-centering and penetrate faster with less pressure.
• Will not ‘walk’ or ‘wander’ at the starting surface.
• Use with cutting oil when drilling metal.
• 1/16, 5/64, 3/32, 7/64, 1/8, 9/64, 5/32, 11/64, 3/16, 13/64, 7/32, 15/64, 1/4, 17/64, 9/32, 19/64, 5/16, 21/64, 11/32, 23/64, 3/8, 25/64, 13/32, 27/64, 7/16, 29/64, 15/32, 31/64, 1/2 in HSS drill bits
