$19.49

Thank you for shopping with us!
• Designed for general purpose use in wood, plastic, plaster, and soft metal.
• Premium high speed steel and duotone finish for fast chip removal.
• High Speed Steel drill bits offer a 2 times life rating when compared to standard 118 degree point drills.
• No center punch needed. Century 135 deg quick-cut points are self-centering and penetrate faster with less pressure.
• Will not ‘walk’ or ‘wander’ at the starting surface.
• Use with cutting oil when drilling metal.
• Reduced 3/8 in shank fits all 3/8 in or larger chucks.
