Item #AH-15-GL, Danair Glazing Tool
$319.00

Thank you for shopping with us! The Danair model AH-15-GL pneumatic Glazing Tool is designed for installing urethane glazing. AH-15-GL can be used with specialty tips for a wide range of specific applications. This tool is very adaptable. Performance - the Danair, Inc. AH-15 Auto-Hammer® has no trigger. Hammering action begins with a light pressure on the working surface and stops when lifted away. The AH-15 Auto-Hammer® will deliver over 1000 blows per minute! Quality - Since 1967 Danair products have been made in the U. S. with only the finest materials. Anytime during the lifetime of the tool if a failure occurs because of workmanship or defective materials, Danair, Inc. will repair or replace that tool. Flexibility - The AH-15 Auto Hammer® has interchangeable hammer tips to handle soft woods and plastics to hard metals like steel. The AH-15 Auto-Hammer® is easily held in the palm of the hand and weighs only 2 lbs. Danair, Inc. Products are proudly made in the U. S. backed by a Large Dealer Network and a Reliable, Responsive Manufacturer.
