Item #AH-15-PF-9000, Danair Auto Panel Fabric Tool 3" **\$349.00**

Thank you for shopping with us! The Danair, Inc. model AH-15-PF pneumatic Panel Fabric Tool offers the Office Refurbishers and Partition Manufacturers a replacement to cumbersome hammers and mallets. The installation of cords, splines, and gaskets can now be accomplished with minimum effort and superior speed. Performance - The Danair, Inc. model AH-15-PF has no trigger. Hammering action begins with a light pressure on the working surface and stops when lifted away. The AH-PF will deliver over 1000 BLOWS PER MINUTE! Quality - Since 1967 Danair, Inc. products have been made in the U.S. with only the finest materials. Anytime during the LIFETIME of the tool if a failure occurs because of workmanship or defective materials Danair, Inc. will repair or replace that tool. Two models to choose from to control the depth of set. AH-15-PF with 2- 5/8" dia. Bumper and the AH-15-PF 9000 with a 3" dia. Bumper. Danair, Inc. products are proudly made in the U. S. backed by a Large Dealer Network and a Reliable, Responsive Manufacturer.
