Item #AMS-216, Amana Tool 4-Piece Tru Point Roundover Insert CNC System 1/2 Inch Shank Router Bit Set

\$173.75

Thank you for shopping with us! The 4-piece Tru Point Roundover Insert CNC System set contains a tool body and industrial-quality insert carbide knives with three different radius (1/8", 3/16" and 1/4"). For lettering, engraving, signmaking, fluting and decorative trimming. Note: Due to very fine plunge point, bit is not guaranteed against breakage. Excellent for cutting: Hardwood/Softwood MDF Plastic Plywood
