Item #AMS-CNC-60, Amana Tool Master CNC Router Bit Collection, 57-Pcs with LED Illuminated, Mirrored Interior, and Solid Wood Display **\$2,808.30**

Thank you for shopping with us!

We have the tool you need for every CNC application! Whether you're creating signs, building cabinets, or surfacing large areas, we have created a versatile mix of router bits to complete your project. Each router bit is manufactured from Amana's exclusive grade carbide according to stringent quality standards.

Fifty-seven pieces of the most versatile CNC industrial quality high performance solid carbide carbide-tipped and solid carbide insert router bits. Router bits feature superior cutting edges, mirror like finish (on some of the tools), balancing carbide of different grades for different materials/applications, and excellent tool design to allow for repeat sharpening.
