**Item #B3BLK,
Whiteside Machine
1/2 x 3/16 Ball
Bearings - Standard
- 100 Pieces
\$397.00**

Thank you for shopping
with us.

Our most common B3 Ball Bearing in a 100-piece pack for your woodworking needs. Most router bits requiring ball bearings are supplied with a B3 bearing unless otherwise noted. Ball Bearings are used on a router bit to follow a template or the flat edge of your workpiece. The inside of the bearing has several metal balls that allow the bearing to freely roll without restraint.
