Item #BP-18524, Tenryu Board Pro Plus & Board Pro Series Saw Blades

$28.80

Thank you for shopping with us!

Circular Saw. Miter Saw.

The best choice for long lasting performance when cutting fiber cement board, fiber cement board is a very abrasive material that quickly wears down normal carbide.

Tenryu Board-Pro:

Special Grade Carbide-Tipped (for single sheet cutting only).

-Perfectly tensioned, hardened tool steel plates for flat, true run.
-Select quality carbide grade.
-Tenryu quality craftmanship.
-Economically priced.
-Less dust than traditional blades produce.
