Item #D0724DA, Diablo Demo Demon 7-1/4" x 24-Tooth The Ultimate Framing/Demolition Carbide Circular Saw Blade - Pack of 10

\$170.00

Thank you for shopping with us! New Demo Demon Amped™, the Ultimate Framing and Demolition saw blade for up to 10 times cutting performance in intense applications. This blade includes a new industry-first tooth grind sequence, Tracking Point Amped™, that is specifically designed to provide extreme durability and effortless cuts, even when cutting abrasive materials such as shingles, bolts, or nail-embedded wood. New Tracking Point Amped™, a high-performance 3-tooth grind sequence for unmatched durability and superior tracking control. New Tracking Point Amped™ tooth design also delivers extreme cutting efficiency in corded and cordless saws (65% more cuts per battery charge in cordless saws versus other blades). Special DURA-BLEND TiCo™ carbide delivers extreme impact resistance and durability. LOCK-TOOTH™ design—Strongest tip-to-blade connection for extreme impact resistance. Newly Enhanced Anti-Vibration design provides the ideal combination of stability and rigidity. Ideal For: Extreme framing and demolition applications Suggested Projects: Framing, Remodeling/Demolition, Siding/Decking, Roofing
