D0840S

Item #D0840S, Diablo 8 1/2" x 40 Tooth General Purpose Slide Miter Saw Blade \$37.32

Thank you for shopping with us!

Diablo's Finishing blade is ideal for smooth finish crosscuts in hardwood, softwood, or plywood. Diablo Finish blades are the perfect choice for excellent rips and crosscuts using a portable saw. They deliver a smoother edge than framing blades, but still provide an excellent combination of cutting speed and long life. A great choice for jobsite finish cuts in 1X, decking, fencing, fascia, and plywood.

(Blades ending in "S" are also ideal for radial arm saws.)

TiCo™ Hi-Density carbide specifically designed for each application to increase performance

Perma-SHIELD® Non-stick Coating protects from heat, gumming, and corrosion

Super thin laser cut kerf for fast, durable, and clean cuts

Tri-metal shock resistant brazing allows carbide tips to withstand extreme impact for maximum durability

Hardened Steel Body—warrants a longer life and sharper cutting edge.

Ideal For: Cutting oak, pine, plywood, pressure-treated lumber, and beams
