Item #D1006DH, Diablo 10" x 6-Tooth (PCD) Fiber Cement HardieBlade™ \$103.69

Thank you for shopping with us!

Diablo HardieBlade™ is the only approved PCD (Polycrystalline Diamond) tipped fiber cement blade recommended by James Hardie Building Products. Diablo's co-branded Diablo blade generates up to 5% less respirable dust*, while delivering the longest life in all fiber cement materials. The PCD triplechip design offers up to 60 times longer cutting life than standard carbide blades. The laser cut thin kerf design gives fast and precise cuts with less dust and waste. The anti-vibration design stabilizes the blade and reduces noise while cutting. Non-Stick Perma-Shield® coating reduces heat.

The only approved James Hardie polycrystalline diamond (PCD) tipped fiber cement saw blade

The PCD triple chip design offers up to 60 times longer cutting life than standard carbide blades

Features a unique, spark-eroded Triple-Chip grind for long life—up to 60 times the life in fiber cement of conventional carbide blades

Perfect for full time use in heavy duty applications such as cutting multiple pieces of fiber cement board.

Ideal for: Siding, panels, single and stacked cutting in fiber cement product only

Suggested Projects: Remodeling/Demolition, Siding/Decking, Electrical & Plumbing

*Note: Dust generation does not necessarily correlate directly to exposure risk.

SPECIFICATIONS	
Manufacturer	Diablo Tools
Arbor	5/8 in
Diameter	10 in
Hook Angle	10 deg
Kerf	.087 in
Plate	.063 in
Teeth	6 TCG (PCD)
Unit Price	
Pack Quantity	1
