Item #DCB321ASTS05G, Diablo® Tools Assortment Pack 3" x 21" 5-Pc Sanding Belts **\$11.57**

Thank you for shopping with us!

Diablo's assorted sanding belt packs include a variety of grits needed to complete your sanding project. Featuring break-through innovations, Diablo's sanding belts improve performance, extend life, and increase productivity, saving you time and money on the job.

Coated in a premium zirconium grit blend, these belts remove material faster and offer an extra long sanding life. Clog-SHIELD, Diablo's own blend of grinding agents, reduces loading thus maximizing productivity. The superior grit-to-backing bond, ENDURA-BOND, provides Diablo's sanding belts with longer life and extreme durability.

5-Belt Variety Pack: (2) 50-grit (coarse/removal) (2) 80-grit (medium/prep), and (1) 120-grit (fine/final prep)

Premium zirconium grit blend delivers fast material removal and long sanding life

Clog-SHIELD reduces pitch buildup and clogging

ENDURA-BOND provides superior grit-to-backing bond for extreme durability

Start to finish application project pack

For use when sanding wood, metal, and plastics
