Diablo's premium 5" universal random orbital sanding (ROS) discs with Hook & Lock™ backing include breakthrough innovations that improve performance, extend sanding life, and increase productivity. Featuring a premium ceramic blend, these discs remove material faster than other sanding discs and offer an extra long sanding life. Clog-SHIELD™, Diablo's own blend of grinding agents, reduces loading thus maximizing productivity. The superior grain bonding system, ENDURA-BOND™, provides Diablo's sanding discs with longer life and extreme durability.

Clog-SHIELD™ is a proprietary blend of grinding agents that reduces pitch build-up and clogging. For orbital and DA sanders in wood, metal, and plastics.
