Item #DCF050080S04G, Diablo® Tools 5" Fiber Disc, Aluminum Oxide - 5 Packs of 4 Discs

\$24.65

Thank you for shopping with us!

Diablo's fiber discs feature a premium aluminum oxide blend for faster material removal and longer sanding life. These fiber discs deliver extended sanding life and increased productivity. For use when removing stock, grinding, blending, or smoothing welds.

Premium Aluminum Oxide Blend is a superior quality formulation designed for fast material removal and long sanding life. High performance coating that reduces pitch build-up and clogging for maximum productivity. High strength resin provides superior grit-to-backing bond for extreme durability.

Ideal for: Moderate stock removal

 A [backing pad](#) is needed in order to attach the fiber disc to a sander or grinder.

Also use for wood, plastics, and fiberglass.

Suggested Projects: Metal Surface Rust or Paint Removal, Surface Prep and Polishing, Wood Material Removal, Weld Blending
