### Item #DCS911320S20G, Diablo 9" x 11" 320-Grit Sanding Sheet (20-Pack)

**\$8.67**

Thank you for shopping with us! Diablo's sanding sheets are engineered to solve common sanding frustrations—material removal, clogging, and uneven wear—through cutting-edge innovation and high-performance materials. Designed for professionals, Diablo delivers durability, efficiency, and productivity in every sheet. The premium ceramic grain blend removes up to 3X more material than standard Aluminum Oxide sanding sheets. Clog-SHIELD™, Diablo's own blend of grinding agents, reduces loading thus maximizing productivity. A superior grain bonding system, ENDURA-BOND™, ensures even wear of the grit and consistent sanding results, delivering smoother finishes with fewer sheet changes. Ideal for wood, metal, paint, and plastics, Diablo sandpaper tackles a wide range of projects with superior results. Diablo's advanced sandpaper technology lasts longer, works harder, and delivers professional results with minimal effort. By addressing common problems like efficiency and productivity, Diablo helps professionals achieve consistent results every time. -Ultra fine ceramic blend grit for intercoat sanding of stain/varnish. -Premium ceramic grain blend extends sanding life of sheet and provides up to 3X more material removal of standard Aluminum --Oxide sanding sheets. -Clog-SHIELD™ reduces pitch build-up and clogging. -ENDURA-BOND™ provides superior grit-to-backing bond for longer life and extreme durability. -Compatible with 1/4 sheet palm sanders, 1/3 sheet orbital sanders, or cut to fit your tool.
