Item #DCX045060X01F, Diablo® Steel Demon™ 4-1/2 in. 60-Grit Flap Disc for X-Lock and All Grinders

$9.17

Thank you for shopping with us!

Diablo's Steel Demon Grinding and Polishing Flap Discs simultaneously grind and polish to help you scale down and smooth out metal and stainless steel surfaces.

Featuring X-Lock, these flap discs can be changed quickly, without the use of tools. A conical shape and 60-grit (coarse) composition combine for 10X faster material removal, leaving behind a shiny surface that gives your work piece a revitalized appearance and/or operational resurgence. Designed to be backwards compatible, these discs work with X-Lock angle grinders and 7/8 in. arbor angle grinders when grinding and polishing metal materials.

X-Lock design for quick, tool free disc changes
Up to 10X faster material removal over a standard grinding wheel
Combines two-steps into one by simultaneously grinding and polishing
Type 29 conical design allows aggressive stock removal
Grinds and polishes metal and stainless steel
Backwards tool compatible.
Designed for use on X-Lock and 7/8 in. arbor angle grinders
No extra parts needed to attach to X-Lock grinder
Simply snap onto or pull lever to release from X-Lock grinder

Max RPM of 12,000

Ideal For: Grinding & Polishing Metal
