Item #DFBZIPTOOL01G, Diablo Comfort-Grip™ Detail Sanding Block

\$6.59

Thank you for shopping with us! Detail sander for corners and edges, fine details

Diablo's premium Comfort-Grip™ Detail Sanding Block with 1-1/8" x 3-1/2" sanding sheets includes break-through innovation to improve comfort, increase control, and extend sanding life.

Featuring a premium durable foam, the Comfort-Grip™ ergonomic design fits comfortably in any size hand allowing for extended use and superior sanding control in tight spaces, such as corners and edges, where fine details matter.

The Hook Lock™ backed block and sanding sheets allow for easy connection and reattachment of sheet to block. Premium ceramic grain blend allows the sanding sheets to remove up to 3X more material than standard sanding sheets. Clog-SHIELD™, Diablo's own blend of grinding agents, reduces loading thus maximizing productivity. A superior grain bonding system, ENDURA-BOND™, provides Diablo's sanding sheets with longer life and extreme durability.

Comfort-Grip™ ergonomic design for superior comfort, control, and precision in tight spaces.

Premium ceramic grain blend extends sanding life of sheet and provides up to 3X more material removal of standard sheets. Durable foam structure for controlled material removal and extended sanding life.
