Item #DHS0250DG, Diablo 1/4" Diamond Grit Hole Saw

\$16.79

Thank you for shopping with us! Diablo's high-performance diamond grit hole saws deliver longer life and faster material removal when boring holes into tile, stone, and glass. A continuous rim diamond grit edge delivers lasting durability and maximizes cut quality in masonry applications. An integrated wax lubricant cools the cutting edge and reduces friction and heat build-up while drilling holes. Diablo's hole saws are compatible with Diablo's Snap-Lock Plus™ mandrel system, resulting in quick, easy, and effortless cup changes. Diamond grit for longer life and faster material removal Continuous rim design for smooth drilling and reduced chipping in masonry applications Integrated wax lubricant reduces friction and heat build-up while cutting No pilot bit needed, simply drill at a 45-degree angle or with a jig Compatible with Diablo's Snap-Lock Plus™ mandrel system for quick and easy cup changes with no down time Drills porcelain tile, ceramic tile, granite, marble, slate, and glass For use with a hand-held drill
