Thank you for shopping with us!

Diablo's diamond grit jigsaw blades deliver extreme durability and superior cutting life in abrasive materials such as glass and hard tile. High-performance diamond grit provides longer life versus standard jigsaw blades. The optimized blade design and Perma-SHIELD® non-stick coating reduces heat and pitch buildup for fast and clean cuts. T-shank design fits all combo and most U-shank cordless and corded jig saws. High performance diamond grit for greater durability and longer life versus standard jigsaw blades. Optimized blade design reduces heat and pitch buildup. Perma-SHIELD® non-stick coating for less heat and friction. T-shank design fits all combo and most U-shank jigsaws. Maximum performance in cordless and corded jigsaws.
