Item #DMAHX118CHBPS, Diablo 1-1/8" x 16" Hex Star Point Chisel **\$66.92**

Thank you for shopping with us! Diablo's Star Point Chisels deliver extreme durability, precision, and stability in concrete or hardened material demolition. The reflective energy collar converts impact-generated energy into new energy for maximum material removal. A unique heat treatment process strengthens the steel body to withstand the stress and impact of high-powered rotary drills. The Star Point design provides wider flutes for faster chipping and jam-free material evacuation. Self-sharpening tip increases productivity and extends the tools life. Optimized for maximum performance in cordless and corded rotary hammers. Reflective energy collar generates new energy for maximum material removal

A unique heat treatment process strengthens the chisel for impact resistance and stability

Jam-free Star Point design resists for faster chipping and material evacuation

Self-Sharpener for increased productivity and longer life

Maximum performance in cordless and corded rotary hammers

SPECIFICATIONS
