Item #DMAHX118CHRD, Diablo 1-1/16" x 16" Hex Ground Rod Driver **\$100.91**

Thank you for shopping with us!

Diablo's hex Ground Rod Drivers deliver extreme durability and stability when driving rods into soil or hardened clay. A unique heat treatment process strengthens the steel body to withstand the stress of high-powered hammer drills and the impact of driving rods into the earth. Designed for driving 5/8" and 3/4" rods to meet NEC and UL ground rod standards. Optimized for maximum performance in corded and cordless jackhammers.

Extreme durability and longer life when driving rods into soil or clay

A unique heat treatment process strengthens the chisel for impact resistance and stability

For driving 5/8" and 3/4" rods

Maximum performance in cordless and corded SDS-Max rotary hammers
