Item #DMANSP1060, Diablo Tool 1/2 in Hard Tile & Stone Carbide-Tipped Drill Bit **\$16.49**

Thank you for shopping with us! Diablo's Tile & Stone Carbide-Tipped Drill Bit range provides faster starts and longer life in tile, stone, and glass. Optimized with a unique brazing and hardening process, the carbide tip extends life and productivity, allowing users to drill fast, accurate holes. The multi-ground carbide tip design allows for aggressive starts that produce clean holes when drilling into hard materials. The 3-Flat Shank provides extra stability by eliminating spinning in the drill chuck. Up to 10X longer life versus standard glass and tile drill bits Asymmetric tip design increases speed and prolongs the tip's life Diablo made carbide withstands impact for maximum durability and superior life versus standard tile and stone hammer drill bits Multi-Ground carbide Grip Point tip delivers stability and accuracy required for fast, precise hole drilling Hex shank provides extra stability, eliminates spinning in the drill chuck and ensures maximum power transfer from the tool to the bit Maximum performance in cordless and corded drill drivers Ideal for hammer and rotary drills
