Thank you for shopping with us!

Diablo’s SPEEDemon™ Red Granite Carbide-Tipped Hammer Drill Bit range provides one of the fastest and longest lasting drilling solutions on the market for concrete, masonry, and stone.

Optimized with a unique brazing and hardening process, the carbide tip extends life and productivity, allowing users to drill fast, accurate holes. The multi-ground Grip Point tip design allows for aggressive starts that produce clean, fast holes. This range is Impact Strong™ for increased shank stability and durability in cordless and corded impact and drill drivers.

- Diablo made carbide tip withstands impact and high heat applications for superior life versus standard masonry hammer drill bits
  - Multi-ground Grip Point Tip delivers stability and accuracy required for fast, precise holes
  - Hi-performance brazing and hardening process extends life of carbide tip and increases productivity
  - Optimized flute design removes dust faster, keeping the carbide tip cooler for ultimate strength and durability
  - Impact Strong™ increases shank stability and durability
  - More holes per charge in cordless impact and drill drivers
  - Maximum performance in hammer or rotary drilling applications
